Conference Focus: **Information Text in a Digital Age**

NESA Accredited 6 Hours

Dear AAA Delegates,

Please take time to read this document carefully.

Thank you for your patience and ongoing support. Due to the restrictions around Covid-19 the CBCA NSW Branch has decided to move our 2020 AAA PD Conference to a fully online event which will be available on our website from 11.00am on November 2 through to November 31, 2020.

Information on how to access the conference on our website will be emailed to you on November 2, 2020 between 9.30-10.00am.

We are very pleased to announce that we have the continued support of all our speakers and publishers, and we are able to offer you not only the original line up of speakers but additional speakers, as well as an online Trade Fair and Bookshop.

The event will be in a pre-recorded format to allow you to come in and out and enjoy all the speakers, the trade fair and to browse the bookshop at a times that suit you.

As you will understand, like everyone, we have had to adapt to the changing landscape caused by Covid-19 by moving our conference online. To do this we have incurred additional costs and expenses to bring you this event which has meant we cannot offer a greater discount. Instead we are offering you a truly world class line up of speakers, the opportunity to hear from publishers about their newest titles going into 2021 and to browse an online bookshop all in the comfort of your own home or office over the course of a month.

If you have any questions or require further information, please feel free to contact me.
